FOCUS ON INDIA

An outlook devoted to India with some figures and **interviews** to some companies involved in the market. And "last but not least" the **product sheets**.

from page 4

CLEAF

The mission of one of the best known and most celebrated brands of Italian subcontracting, a real bridge between materials and creation, resulting from relentless **evolution**.

on page 11

ANGOMAC

"There are different ways to offer new technology...", as said by **Andrea Angonese** from Angomac, the company founded by his father in the Nineties...

on page 12

CATAS

"Sustainability" and "**Life Cycle Assessment**": the keywords of the present and the future.

on page 14

CEFLA

"**Innovate**", the keyword for the present and for the future. Told by Roberto Bolognini, Cristian Giovannini and Roberto Sorbini from the Italian company.

on page 16

FAPIL

Company's history told by **GiamPaolo Pesenti**: between past and future.

on page 17

GIPLAST

"Being an enterprise", an interview with **Patrizio Marozzi**, Sales Manager and Partner from Giplast.
